

Inquiry Plan

Purpose: to help students make a plan to direct their inquiry

Group Members

Students list the names of their inquiry group members.

Our question(s):

Students list the question(s) that will set the focus for their inquiry.

To examine these questions more closely, we need to:

Students consider what actions need to be done, what roles group members will take on, how to divide their time, how to keep track of gathered information, how to share their information, and so on.

Materials we will need for our inquiry:

Students note the types of resources they think they'll need and where they might find the information relevant to their inquiry.
